Bldg 19 Main Entrance

Enter Moffett Field from Moffett Blvd. Moffett Blvd exits off both Hwy 101 North or South & Hwy 85 North. You will need to show a picture ID, ex. Drivers License to enter Moffett Field, no need to stop at the Visitor & ID office. You drive into Moffett Field on Clark Blvd. At the "Welcome to the NASA Research Park "sign continue going straight towards Hanger 1 by the "parade ground" (Hanger 1 is the BIG dirigible hanger right in front of you). This is now South Akron Road. At the first stop sign, turn left on McCord Rd. Continue on McCord Rd past the next stop sign and past the Moffett Post Office and park in the back of Bldg 19. The Western Disaster Center office is on the second floor at the back North/East corner of Bldg 19. It is easiest to go up the exterior metal stairway to the second floor. The Western Disaster Center office is the first door on the right, Room 2009. If you need an elevator one is available at the main entrance to Bldg 19, off of North Akron Rd.
